(ARTICLE 2. - Vote by Official Ballot)

ARTICLE 2. Are you in favor of adoption of Amendment No. 1 as proposed by the Planning Board for the Harrisville Zoning Ordinance, as follows:

To readopt Article XIV, Growth Management Ordinance.

YES 153 NO 44 **PASSED**

Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town of Harrisville Zoning Ordinance as follows:

To amend language in Article IV, General Provisions, by adding section 4.1.14.1 as applies to the definition of impervious roadway - "For the purposes of this provision, impervious roadway includes any area installed or used as a driveway or parking area, regardless of surface material."
YES 146 NO 48 **PASSED**

ARTICLE 3. To see if the Town will vote to raise and appropriate the sum of $30,000.00 for the purpose of maintenance and emergency expenditures for the Landfill.
A short discussion ensued. **PASSED** by voice vote.

ARTICLE 4. To see if the Town will vote to raise and appropriate the sum of $250,000.00 for the purchase of a new fire truck and to authorize the withdrawal of $180,00.00 from the Fire Equipment Capital Reserve Fund. The balance of $70,000.00 to be raised by taxation. Furthermore, to grant the Selectmen the authority to act upon what is to be done with the old truck. This is to be a non-lapsing fund.
A lengthy discussion ensued in regard to worth of the old truck, costs of and the ability to find used 4 wheel drive pump trucks, applying to the 911 fund grant which would pay back to the town 90% of the cost and the wisdom in following our Master Plan.
PASSED by voice vote.

ARTICLE 5. To see if the Town will vote to raise and appropriate the sum of $1,370.00 in support of Monadnock Family Services.
A short discussion ensued. **PASSED** by voice vote.

ARTICLE 6. To see if the Town will vote to raise and appropriate the sum of $500.00 in support of the services of Home Health Care and Community Services.
A short discussion ensued. **PASSED** by voice vote.

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of $1,206.00 as the Town's share for the studies and operations of the Southwest New Hampshire Region Planning Commission.
A short discussion ensued as to the services the commission provides the town. Some examples given: works with planning and zoning boards to help with drafting ordinances and master plans, complies region wide assessments of needs and develops technical mapping programs. **PASSED** by voice vote.

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of $500.00 for the support of Camp Holiday.
A short discussion ensued. **PASSED** by voice vote.

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of $1,500.00 for the support of The Community Kitchen.
A short discussion ensued. **PASSED** by voice vote.

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of $500.00 for the support of Southwestern Community Services, Inc.
A discussion ensued as to what the budgeted welfare fund of $5,000 is used for in relationship to these articles. The selectmen explained welfare funds have nothing to do with these articles that money is for assisting town folks with utility bill, rent etc.

PASSED by voice vote.

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of $250.00 for the support of The Samaritans of the Monadnock Region.

A short discussion ensued. **PASSED** by voice vote.

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of $6,000.00 for the repair of the Russell Reservoir Dam and to authorize the withdrawal of $3,000.00 from the Dam Capital Reserve Fund. The balance of $3,000.00 to be raised by taxation. This is to be a non-lapsing fund.

A discussion ensued as to the condition of the dam, the possibility of the state taking it over and the liability to the town if there is a problem before it is repaired. There is a leak on the side and some investigation needs to be done to find out how serious the problem is.

The Moderator closed the Polls at this time (8:00pm).

Continuation of ARTICLE 12 No more discussion ensued.

PASSED by voice vote.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of $41,900.00 for cold mix paving of the Roxbury Road and to do grinding work on Sunset Hill. This is to be a non-lapsing fund.

ARTICLE 14. The see if the Town will vote to raise and appropriate the sum of $5,200.00 for renovations at the Highway Garage and to authorize the withdrawal of said sum from the Town Building Capital Reserve Fund. This is to be a non-lapsing fund.

A short discussion ensued as to the details of the renovations. **PASSED** by voice vote.

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of $3,500.00 for the installation of barriers and electricity at the Recycling Center Metal Collection Building and to authorize the withdrawal of said sum from the Town Building Capital Reserve Fund. This is to be a non-lapsing fund. A short discussion ensued as to the cost of recycling metal items. **PASSED** by voice vote.

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of $5,000.00 for the improvement and maintenance of the former railroad bed between Harrisville Depot on Lower Main Street and Brown Road which has been acquired by the Town for use as a multi-purpose trail and to authorize the withdrawal of said sum from the Town Recreation Land Capital Reserve Fund. This is to be a non-lapsing fund. A discussion ensued to clarify multi-purpose use, where gates will be placed and when a public meeting will be held to go over the plans. **PASSED** by voice vote.

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of $11,000.00

for appraisal services that will maintain the Town's assessment certification. A lengthy discussion ensued as to taking the funds from capital reserve , assessing one-fifth of the town each year, keeping in mind the real estate market rising and falling and state requirements as to assessments. Voice vote too close to called. standing vote. YES 78 NO 43 **PASSESD** by standing vote.

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of $16,000.00 for Tax Maps and to authorize the withdrawal of $8,000.00 from the Tax Map Capital Reserve Fund. The balance of $8,000.00 to be raised by taxation. This is to be a non-lapsing fund. A discussion ensued as to the need for new maps and the ability to keep them up to date. Motion was made to amended the article to authorize the withdrawal of $9,500.00 from the Tax Map Capital Reserve Fund and raise the balance of $6,500.00 by taxation. Motion to amend **PASSED** by voice vote. A short discussion ensued as to sharing surveys of property. Article **PASSED** by voice vote.

Selectman Chamberlain took a few moments to explained non-lapsing funds.

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of $43,000.00 for Capital Reserve to be allocated as follows:

Highway Equipment	- 25,000.00,
Property Appraisal	- 5,000.00,
Police Cruiser	- 5,000.00,

(Article 20 - Vote by Official Ballot)

ARTICLE 20. Shall we modify the elderly exemptions from property tax in the Town of Harrisville, based on the assessed value, for qualified taxpayers, to be as follows:

for a person 65 years of age up to 75 years, $15,000.00;
for a person 75 years of age up to 80 years, $20,000.00;
for a person 80 years of age or older, $25,000.00.

To qualify, the person must have been a New Hampshire resident for at least five years, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must be married for at least five years. In addition, the taxpayer must have a net income of not more than $20,000.00 or, if married, combined net income of less than $27,000.00; and own net assets not in excess of $50,000.00 excluding the value of the

person's residence.
YES 190 NO 24 **PASSED**

ARTICLE 21. To see if the Town will vote to raise and appropriate the sum of $5,000.00 to support a recreation program which gives our community's school-age youth consistent, supervised activities before and after school, as well as, during the summer.
A motion was made to amend the article to read: To see if the town will vote to raise and appropriate the sum of $5000.00 for the support of the Harrisville Children's' Center elementary school-age programs. A lengthy discussion ensued as to the reasons for the request, if this is a one year request, times and locations of programs, number of families using program, reasons why the Selectmen did not recommend the article and if this was a donation. **PASSED** by voice vote.

ARTICLE 22. To see if the Town will vote to authorize the Board of Selectmen to accept on behalf of the Town, gifts, legacies and devises made to the Town in trust for any public purpose, as permitted by RSA 31:95-b.

ARTICLE 25. To transact any other business that may legally come before this meeting.
Moderator Colony announced Marl-Harris, folks in blue shirts at back of room, would like our in-put as to fees.
Anyone elected or appointed please stay to be sworn in.

Selectmen Jacobs thanked John C. Calhoun for his many years of service to our town on the Planning Board.
Selectman Jacobs brought forth the following Motion:

Resolution in Opposition to HB 1416

Whereas, cities and towns rely on property taxes for the funding of local services, and
Whereas, property tax exemptions narrow the existing property tax base, and
Whereas, private profit-making entities owning property are expected to pay their fair share of property taxes in their host communities to fun commonly used infrastructure and services, and
Whereas, the telephone industry has not been paying its fair share of property taxes to the state or its municipalities due to its longstanding exemption, and
Whereas, there is legislation, to wit HB 1416 currently before the House Ways and Means Committee, to make this exemption permanent, and
Whereas, the exemption has caused a hardship to cities and towns and to the taxpayers

who have subsidized this exemption.
Now, therefore, be it resolved that Board of Selectmen of the Town of Harrisville believes that the exemption from the property tax enjoyed by telephone companies should be repealed, and
Be it further resolved that the Board of Selectmen of the Town of Harrisville urges the House Ways and Means Committee and all members of the New Hampshire House of Representatives to vote HB 1416 Inexpedient to Legislate. No discussion.
PASSED by voice vote.

Meeting recessed to count ballots at 9:45pm.

Meeting adjourned at 10:30pm.

Respectfully submitted:

Board of Selectmen
Town of Harrisville
P O Box 34
Harrisville, New Hampshire 03450

Dear Members of the Board:

We expect to complete the fieldwork in connection with the audit of the Town of Harrisville's December 31, 2004 financial statements no later than March 11, 2005. Unless we encounter circumstances beyond our control the completed reports will be available within six weeks of that date.

Very truly yours,

Vachon, Clukay & Co., PC

SELECTMEN'S REPORT

The year ended with no exceptional natural disasters, contentious issues or even a major event of great celebration. It was mostly a regular year.

This being a presidential election year, we marched to the voting booths four times and to our credit, we had a very high and commendable voter participation result.

Once again we struggled to find a solution to poor water quality at the town spring, and with guidance from the voters this year, we will try find a solution. An update of the tax maps is well under way with an expected completion date sometime in "05". With voter approval this year, we will work in coordination with the Silver Lake Landed Trust, in addressing and mitigating water runoff and related water quality issues on the east side of Silver Lake.

At last year's Town Meeting, we approved the purchase of the former rail road bed between Brown Road and the highway barn. The issues of access and public use have created some controversy as to the wisdom of this purchase. The process of implementing a plan for its use is best summed up as evolving and future use should always be open to discussion or change.

Many residents are unaware of the generous donation by Bill Raynorof a strip or lane adjacent to the fire station, which will provide some needed room in a congested area. Our thanks to Bill.

We are ever thankful to the people who come forward to serve on boards and committees. Without them, the responsibilities of town government could not be carried out and community spirit would suffer.

The Board of Selectmen

TOWN CLERK

In 2004 the Town Clerk's office registered 1511 vehicles and 75 boats, licensed 266 dogs and sponsored a Rabies Clinic inoculating 21 dogs and 8 cats. We recorded 7 marriages, 6 births and 7 deaths. Additionally we sold Dump Stickers, processed Dredge and fill permits, issued Pole Licenses, filed UCC Liens and researched and issued certified copies of vital records. These transactions along with a few miscellaneous items resulted in revenue to the town of $160,985.30, an increase of more than $13,000 over last year.

2004 was a year of elections. January 27 – Presidential Primary, March 9 – Town, September 14 – State Primary and November 2 – Federal and State General. In all these elections Harrisville residents took time out of their busy schedules to vote. In the General Election 86% of the registered voters cast ballots.

Jeannie and I continue to attend workshops and trainings when offered. With the constant changes in election, title, registration and vital statistic laws it is hard to keep up. The State DMV replaced the antiquated on-line computer with a new Dell in the spring. However, we are still working with the old dos program. The new windows program (MAAP), which promises to speed up registration time, has been put on hold indefinitely.

I again want to thank the residents of Harrisville for their patience when the lines get long and the support they have shown for me over this year. I look forward to seeing you in 2005.

Respectfully submitted,

Donna Stone
Town Clerk

2004 Harrisville Police Report

The year 2004 was another busy year for the police department with a total of 788 calls -down from 2003 by only 2 calls.

These calls break down as follows:

1 488 miscellaneous calls (a call that requires a log entry only) - Example; power-line down, assist fire department with traffic, loose dog, assist another department- no arrest.
2 222 calls for service (a call that needs a state incident report)- Example; assault, criminal mischief, domestic violence, or a call were there is an arrest or could result in one.
3 22 motor-vehicle accidents- includes all accidents, with or without personal injury.
4 53 burglar alarms- cause found or no cause found.
5 3 case reports- these are Class "A" misdemeanors or Class "B" or Class "A" felony cases.

Our big challenge in 2004 was being shorthanded on man-power as two of our part-time officers left early in the year. Ryan Quimby was injured in a motor vehicle accident while working in his full-time in Dublin and Chris Symonds moved from the area. We were able to hire one replacement - Lenny Emond - he joined the department late fall.

Our calls for service were down from last year from 326 to 222 but the length of time spent on investigations was much higher. The department was again able to swap training with other departments and state agencies for mandated training and classes that the town would have had to pay for.

Two of our major complaints into the police department are speeding and vehicles making an illegal turn on Main street coming up the hill by the mill and turning left to go to into the store parking lot. Our goal for 2005 is to increase traffic enforcement now that we have Officer Emond on our force for additional man-power. We also hope to have a traffic study done on all roads so that we can target the high-flow areas better.

I would like to thank Sgt. Eric Hood and Officer Lionel Emond for the help that they could, and did give to the town of Harrisville in 2004. Also the other departments and Selectmen for there continued support. I look forward to serving the town in 2005 and my continued work with the other town departments.

Chief Russell J. Driscoll

FIRE DEPARTMENT REPORT 2004

In 2004 your Fire Department responded to 85 calls just 2 more than 2003.

The new 2004 International/Valley Fire Pumper arrived in December and was put in service in the middle of February. This truck will add a much-needed 2nd pumper to our equipment. It will also help a lot with our response to most emergencies in bad weather or places with rough driveways or roads. Thank you to all who helped with this new pumper.

As of the time of writing this report, we have not heard from FEMA on our grant application for money towards the new pumper. We are still hoping for some money to offset cost of truck. Thank you Tom Havill, Anne Bridge, Linda Willett and Pat Putnam for your assistance in applying for this grant.

Again we can always use more FIRE/EMS people, so ask any fireperson what we do and how you can help.

After almost 32 years with the Harrisville Fire Department, I will be hanging up my helmet for the last time on March 8th after town meeting. It is time for me to spend time with my family which has supported the Fire Department for more years than I have. Thank you to all who have helped me for so many years and good luck to all in the future.

Thanks to all Departments for their assistance in 2004 and over the years.

REMEMBER TO TEST YOUR SMOKE DETECTORS AND REPLACE BATTERIES ANNUALLY.

PLANNING BOARD REPORT

During the past year, the Planning Board approved three minor subdivisions and three technical subdivisions, after giving legal public notice and holding hearings for each. Two voluntary mergers were filed at the Registry of Deeds.

On the 2005 Town Meeting Warrant, in addition to recommending renewal of the Growth Management Ordinance (which must be voted every year), the Planning Board recommends five minor changes in the Harrisville Zoning Ordinances. These are prompted by input from the Selectmen. Three of the proposed amendments bring Harrisville Zoning into closer conformity with State law by adding a definition of "manufactured housing" and clarifying the regulations that govern placement of such housing. Two proposed amendments regulate accessory apartments by including them in the Growth Management Ordinance. If these two amendments pass, accessory apartments will require a growth permit, appeal-able in hardship cases to the Zoning Board of Appeals.

In the months ahead, the Planning Board will be updating its Subdivision Regulations (last amended February1992). As time allows, we can begin considering whether and what changes in Harrisville's Master Plan would be helpful at this time. We urge the public to watch for notice of hearings on these issues. The Board needs and welcomes public input.

The Board welcomed two new members during the year. Anne Howe brings a lifelong association with Harrisville, a sharp eye for details of the law and how it is implemented, and a love of governmental work. She recently retired from a federal government career in Washington, D.C. Noel Greiner has an engineering and executive background. His participation in the Board is motivated by deep concern for the environment and a commitment to help Harrisville preserve its woodlands, waterways and rural aspect.

Donna Stone, our Secretary, leaves the Board next month. We will miss her. Her knowledge and experience have been a valuable asset, and we thank her for her years of service.

I wish to personally thank the entire Board for support during my year of on-the-job leadership training. Jack Calhoun has been an enormous help by sharing his insight and expertise and by returning desperate phone calls. I especially thank our very fine recording secretary, Janet Hammond, for keeping me on track with deadlines, details and subtleties of the law; for being flexible on the minutes; and for holding my hand.

Respectfully submitted,

Jane Meneghini,
Chairperson

ZONING BOARD OF ADJUSTMENT

During the year 2004, the Board heard requests covering the following Articles:

Article V (2) - Dealing with nonconforming uses of lots and structures.

Article VI (5) - Dealing with accessory apartments.

Article IX (6) - Dealing with matters pertaining to the Lakeside Residential District.

Article XVI (1) - Dealing with Cluster Development (on Dublin Rd.)

The two most controversial matters among the ZBA members have been the 20% impervious coverage of lots, especially in relation to one lakeside property and the accessory apartments. From our discussions, I believe that the majority of the ZBA members will support an ordinance not to require a growth permit for accessory apartments, providing that the size of the apartment is restricted to a very minimum size and attached to the existing structure.

The matters that were the most controversial and received the most participation by the citizens of the town was the Cluster Development request and garage request on Silver Lake.

Again, I appeal to the members of the community to volunteer for membership to ZBA. We can still use 2-3 additional members. Please make your wishes known to the Selectmen after the Town meeting.

My sincere appreciation and gratitude to the members of the Board: Hal Grant, Toni Silk, Richard Grant, Lindsay Johnson, Charles Michal, Jay Jacobs and Alton Chamberlain. And many thanks to our Secretary, Rosemary Cifrino. Their time and participation at the meeting have been appreciated and have been very valuable, especially during the most difficult and controversial requests.

Respectfully submitted,

Panos A. Pitsas, Chairperson

Cemetery Trustees

This was the year we lost Philip Trudelle. He was our cemetery historian, the one with common sense , and the one with the great sense of humor. He was a joy to work with and we miss him.

In the spring, we had some monument damage in Island Cemetery. It was repaired and additional monument work was done to the Harris section of the cemetery. The result was pleasing. We intend to continue with more monument work 2005.

Our tree work this year has been limited to an out of control beaver in Island Cemetery. He's practicing random cutting, usually where we don't want it. It's a perplexing problem and we intend to get it under control in 2005.

We revamped our fee structures to be more inline with the towns around us. We also now have cremation plots available in Island and Willard Hill. Full, conventional plots are only available in Willard Hill, not in Island. No plots are available in Riverside. We have also clarified eligibility requirements for plot purchases and limited them to taxpayers and residents.

We were fortunate to have the Selectmen appoint Leslie Downing to fill the rest of Philip's term. She has a strong family connection to both Island and Riverside cemeteries.

With a limited budget and three cemeteries to care for it's difficult to get beyond minimum maintenance needs. If, perchance, there is interest in forming a group, such as the Friends of one or all of the cemeteries, we would like to hear from you. This group might help with particular projects. It would be nice to tackle more improvements without having to substantially increased our budget raised through taxes.

Finally, Jim and Nyetta have been doing a fine job mowing our cemeteries for a few years now. They have signed up for another year and for this we are grateful.

HIGHWAY DEPARTMENT

The Highway Department had an average Winter - plowing, sanding, and salting 45 times in all, with no major breakdowns to the equipment. A very wet Spring slowed the grading down by two weeks.

The purchase of a brush chipper from the NH State Surplus for $1,200.00 saved us a lot of time picking up brush.

People have asked me why I paved the Roxbury Road; it has only two houses on it. This road has been paved for the last 40 years. It is also a bus route, as well as, a mail route. The Highway Block Grant from the State is based on paved roads, not gravel roads.

Sand Seal was done on the Bonds Corner Road, Willard Hill, and some on the Mason Road. A Shim Mix was done on the Chesham end of the Brown Road. Reconstruction was done on Sunset Hill and we replaced a culvert. Drainage work was also done. We should be ready to pave this Summer.

The Highway Department experimented with Hard Pack Gravel on the Silver Road out to the Beach. It seems to be holding up very well. I would like to use more next year on other roads in Town.

Wesley Tarr, Road Foreman

SWIMMING PROGRAM

Learn To Swim classes were held at Sunset Beach and at Russell Reservoir from July 7 through July 30. Levels I through V were offered for 58 children. All participants made good progress. Swim aides that offered invaluable help were Galen Anderson, Harris Snyder, Felicia Wilder, and Morgan Parker.

GuardStart, an aquatic safety program for youth ages 11-14, was held in July and August. The following youth successfully completed requirements for this on-going program: Robbie Crowe, Alycia Griffin, Felicia Wilder, Morgan Parker, Jenny Crowe, Harris Snyder, Emmett Snyder, Rachael Cassar, Galen Anderson, Ariel Temple, Michelle McEwan, Martina Powley, Nelly Calhoun, Lydia Price, Dani Smith, and Adam Parker.

HARRISVILLE PUBLIC LIBRARY

Kris Finnegan's Storytime continues to be extremely popular. The Book Bag Program sponsored by the Friends was well attended. We were again fortunate to have Marcia Talley speak. Her topic this year was female sleuths.

The project to enter the Library holdings into the NH State Library database will get underway in February.

The Friends outdid themselves this year. They gifted the Library with ten Windsor chairs, a very comfy easy chair, and a 35 mm camera. Other purchases for the Library were dozens of adult and juvenile non-fiction/reference books and the supplies that will be used as the database is created. And of course, they oversaw the very successful book sale.

Thank you to all the wonderful volunteers. Without you, it would not be possible to smoothly run the Library.

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands cooperate to reduce the risk of wildland fires in New Hampshire. To help us assist you, contact your local Forest Fire Warden or Fire Department to find out if a permit is required before doing ANY outside burning. A fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information contact the Division of Forests & Lands (603) 271-2217, or online at www.nhdfl.org.

This last year was fairly wet throughout the spring and summer months, however we finished the season with an active fall fire season. In order to meet an increased demand for services, the Forest Protection Bureau was reorganized into three regions with smaller Forest Ranger Districts and over the last several years we have added two Forest Rangers. The fifteen state fire towers were the first to report on many fires throughout the state and they completed many other projects on the low fire danger days. The state implemented a program called Tower Quest to help citizens learn about fire towers and the need to protect New Hampshire's forest resources. The United States celebrated Smokey Bear's 60th birthday in 2004, and celebrations were held throughout the state. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire smart and fire safe!

ONLY YOU CAN PREVENT WILDLAND FIRE

Structural repairs to Cheshire Mill #1 continued throughout 2004. A steel reinforced concrete beam now spans the river and supports the mill's timber frame. Extensive repairs to the mill's kingpost roof trusses neared completion as the year drew to a close. Other major building projects included the rehabilitation of the two apartments above the Harrisville General Store. A stairway was added from the second to the third storey to provide a second means of egress, new electrical wiring, kitchens, bathrooms, and finishes were installed.

Historic Harrisville purchased from Ethan Tolman the old mill site at Mosquitobush, a parcel of land that abuts 15 acres that Harvey and Frankie Tolman deeded to Historic Harrisville two years ago. The new piece contains the waterworks at Mosquitobush, the original Joel Bancroft mill site that burned in the 1880s, and the former Tolman sawmill site. It represents the early industrialization that was key to Harrisville's history. Historic Harrisville, the Harrisville Conservation Commission, and the Nelson Conservation Commission are working together to protect the land in what is called the Great Meadow.

We, along with the rest of the town, continue to miss John J. Colony, Jr. and Philip Trudelle who were instrumental in much of what Historic Harrisville does on a day to day basis. John J. Colony, Jr. was a founding trustee and past chairman of the foundation and it was through his efforts and those of his brother Charles that the preservation course was set. Philip Trudelle (Popet) brought his many talents to bear on the buildings and systems on which so many people depend. His cheerful demeanor and cleverness made him indispensable to all of us.

Historic Harrisville, Inc. is a public, non-profit foundation that welcomes anyone to join us in our work. If you are not on our mailing list and wish to be, please drop us a note at Box 79, or call 827-3722. Everyone is invited to attend our meetings that are usually held on the last Saturday of April and October.

HARRISVILLE SCHOOL DISTRICT
ANNUAL MEETING MINUTES
MARCH 9, 2004

Our moderator, Robert Kingsbury, called the meeting to order at 6:00 p.m.

ARTICLE 1: To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto.

Mary Nicholas moved that the District receive the reports of agents, auditors, committees or officers chosen as printed in annual report.

Motion seconded by John Calhoun.

No discussion was noted.

The voice vote was unanimous in favor of Article 1.

ARTICLE 2: To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries for school district officials and agents, and for the statutory obligations of the District, or to take any other action in relation thereto. *(The Harrisville School Board recommends the sum of $1,804,318.)*

John Calhoun moved that the District raise and appropriate the sum of $1,804,318 for the support of schools, for the salaries for school district officials and agents, and for the statutory obligations of the District.

Motion seconded by Mary Nicholas.

John Calhoun explained the budget.

Some discussion ensued as to the actual percentage of the increase in the budget.

The voice vote was unanimous in favor of Article 2.

ARTICLE 3: Whereas the building known as the "old school house," adjacent to Wells Memorial School, is in disrepair with major structural deficiencies requiring action in order to preserve the structure for future use; and, in order to preserve the structure for future use; whereas the Board recognizes that the import and historical value of such a building shall be determined by the residents of Harrisville:

Be it therefore resolved that the voters of the District strongly urge the school board to engage in efforts in order to save the existing structure; and, further, to support the Board in its efforts to investigate the feasibility of a complete restoration of said structure. The result of any such feasibility study shall be shared with voters to allow for input and questions at a future public hearing prior to engaging in a complete restoration plan.

Linda MacGillvary moved to accept the article as read.

Motion seconded by John Calhoun.

Some discussion ensued in regard to appointing a committee to find out more facts on the feasibility of restoring the "old school house."

The voice vote was unanimous in favor of Article 3.

ARTICLE 4: To see if the District will vote to allow the school board to appoint a certified public accounting firm in lieu of electing an auditor.

Linda MacGillvary moved to accept the article as read.

Motion seconded by John Calhoun.

No discussion noted.

The voice vote was unanimous in favor of Article 4.

ARTICLE 5: To transact any other business that may legally come before this meeting.

John Calhoun recognized Linda MacGillvary for all of the hard work she has done while serving on the school board.

John Calhoun moved that the meeting be recessed for the purpose of electing District officers.

Motion seconded by Linda MacGillvary

The voice vote was unanimous in favor of Article 5.

Respectfully submitted by,

Sarina A. Wilder, Clerk

STATE OF NEW HAMPSHIRE SCHOOL WARRANT

To the inhabitants of the school district in the Town of Harrisville qualified to vote in District affairs:

You are hereby notified to meet at Wells Memorial School in said District on the 8th day of March, 2005, at 6:00 p.m. to act upon the following articles:

ARTICLE 1: To hear the reports of agents, auditors, committees or officers chosen, and pass any vote relating thereto.

ARTICLE 2: To see what sum of money the District will vote to raise and appropriate for the support of schools, for the salaries for school district officials and agents, and for the statutory obligations of the District, or to take any other action in relation thereto. *(The Harrisville School Board recommends the sum of $1,763,781.)*

ARTICLE 3: To see if the District will vote to approve the cost items included in the collective bargaining agreement reached between the Harrisville School Board and the Harrisville Education Association which calls for the following increases in salaries and benefits:

YEAR	ESTIMATED INCREASES
2005-2006	$xxx
xxxx-xx	$xxx
xxxx-xx	$xxx
unknown duration	$xxx

And, further, to raise and appropriate the sum of $XXX for the 2005-2006 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels paid in the prior fiscal year. *(The Harrisville School Board recommends this appropriation.)*

ARTICLE 4: To see if the District, if Article 3 is defeated, will authorize the Harrisville School Board to call one special district meeting, at its option, to address Article 3 on cost items only.

ARTICLE 5: To see if the District will vote to raise and appropriate the sum of $59,000 for the support of a before-school and after-school childcare program and, further, to raise $5,000 of said sum from general taxation. The balance of $54,000 will be funded through revenue generated from the program, or to take any other action in relation thereto. *(The Harrisville School Board recommends this appropriation.)*

ARTICLE 6: To see if the District will vote to authorize the School Board to remove the old school building upon such terms or conditions as they shall determine and to replace the old school building with a storage facility and to raise and appropriate the sum of $10,000 to pay for said project and related costs, and to authorize the withdrawal of $10,000 from the Capital Reserve Fund established by the voters of the District at the March 11, 1986 District Meeting for the purpose of financing construction or reconstruction of the buildings and grounds at Wells Memorial School, or to take any other action in relation thereto. *(The Harrisville School Board supports favorable action on this warrant article).*

ARTICLE 7: To see if the District will vote to appropriate and authorize the School Board to transfer up to $20,000 of its unencumbered funds, if any, remaining on hand at the end of the fiscal year, June 30, 2005 to be deposited in the Expendable Trust Out-of-District Tuition Fund established by the voters at the March 7, 2001 District Meeting for the purpose of paying future year regular/special education out-of-district tuitions, or to take any other action in relation thereto. *(The Harrisville School Board supports favorable action on this warrant article.)*

ARTICLE 8: To see if the District will vote to appropriate and authorize the School Board to transfer up to $10,000 of its unencumbered funds, if any, remaining on hand at the end of the fiscal year, June 30, 2005, to the Capital Reserve Fund established by the voters of the District at the March 11, 1986 District Meeting for the purpose of financing construction or reconstruction of the buildings and grounds at Wells Memorial School, or to take any other action in relation thereto. If there is an insufficient undesignated fund balance as of June 30, 2005 to fund this appropriation and the appropriation in Article 7 (Expendable Trust Fund transfer), Article 7 will be funded first, with any additional surplus to be applied to this warrant article. *(The Harrisville School Board supports favorable action on this warrant article.)*

ARTICLE 9: To transact any other business that may legally come before this meeting.

INDEPENDENT AUDITOR'S REPORT

To the Members of the School Board
Harrisville School District
Harrisville, New Hampshire

We have audited the accompanying financial statements of the Harrisville School District as of and for the year ended June 30, 2004 as shown on pages 2 through 4. These financial statements are the responsibility of the Harrisville School District's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

Management has chosen not to implement Governmental Accounting Standards Board (GASB) Statement No. 34, *Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments.* Therefore, these financial statements are presented following the principles that were in effect prior to GASB Statement No. 34. Management has not presented government-wide financial statements to display the financial position and changes in financial position of its governmental activities and business-type activities. The financial statements presented do not contain separate statements for governmental, proprietary, if applicable, and fiduciary fund types, nor are major and non-major funds, separately identified and classified. The financial statements presented report expendable trust funds which should be reported as special revenue funds under the new reporting model. The financial statements also present a general long-term debt account group which should not be reported as such, but the information contained therein should be included in the government-wide financial statements were they presented. Also, the financial statements do not contain any information on capital assets because the government has not maintained historical cost records of such assets. Management has not presented a management's discussion and analysis as required. The amounts that would be reported in the missing statements and required supplementary information, and the effects of reclassifying and properly reporting the information presented are not reasonably determined.

In our opinion, because of the effects of the matters discussed in the preceding paragraph, the financial statements referred to above do not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the Harrisville School District as of June 30, 2004, or the changes in its financial position or its cash flows, where applicable, for the year then ended.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Harrisville School District basic financial statements. The combining and individual fund statements and schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. For reasons stated in the third paragraph of this report, we expressed an opinion that the financial statements of the Harrisville School District do not fairly present financial position, results of operations, and cash flows, if applicable, in conformity with accounting principles generally accepted in the United States of America. Therefore, we do not express an opinion on the accompanying combining and individual fund statements and schedules.

TOTAL RECEIPTS DURING YEAR

ADMINISTRATIVE REPORT

The whole community should be proud that Wells Memorial School was named as a Monadnock region "school of choice," due, in large part, to its unique world language program. In addition to the world language program, Wells Memorial School also offers the following outstanding educational opportunities: a research-based primary reading block of 90 minutes each day, with individual pre and post testing throughout the year; Everyday Mathematics at all grade levels; a strong environmental science program which includes a partnership with the Harris Center and a week-long camp experience for sixth graders; participation in the New Hampshire Dance Institute for all interested fourth through sixth graders; before and after school programs in the building; and after school clubs which include a year-long chess club with regional tournaments.

This year marks the third anniversary of No Child Left Behind (NCLB), a significant piece of federal legislation that has, and will continue to have a tremendous impact on Wells Memorial School and how the school will be held accountable for student performance.

Student performance is the focus of NCLB. Although there are many ways in which this can be measured, NCLB relied on the statewide testing program (NHEIAP) in 2004 to provide the data by which schools are measured. This year, as in recent years, Harrisville's students have performed very well on these tests. Harrisville's sixth graders' mean-scaled scores were well above those for the state. In addition to scoring well according to state standards, scores earned by both the third and sixth graders place them well above federal expectations. For example, all Harrisville sixth grade students scored at or above grade level on the NHEIAP exams in English language arts.

The assessments, required by Federal No Child Left Behind legislation determine whether or not schools meet standards established by the state and federal governments known as Adequate Yearly Progress (AYP). This past year, the Harrisville staff has focused tremendous effort on interpreting the results of the assessments and identifying areas in the curriculum in need of strengthening.

A curriculum conference area was established on SAU 29's email system in order to provide a centralized location for Harrisville staff to access state and SAU 29 curriculum information. All Harrisville curriculum committee work, state curriculum frameworks, curriculum guides, and information related to No Child Left Behind are now posted and accessible to all Harrisville staff members. Information is reviewed and edited on a regular basis.

In 2004, the New Hampshire Department of Education joined with its counterparts in Vermont and Rhode Island to create the New England Comprehensive Assessment program (NECAP). NECAP establishes criteria for the assessment of all Harrisville students in grades three through six in mathematics, reading, and writing as required by the federal government through No Child Left Behind legislation. During the summer of 2004, special curriculum committees, composed of classroom teachers from SAU 29, reviewed these new standards for assessment and school progress and rewrote curriculum documents so as to address these new Grade Level Expectations. The results of that committee's work have been distributed to staff members and posted on the Curriculum Conference of the SAU 29 e-mail system. All Harrisville students in grades three through six will be annually tested on the Grade Level Expectations beginning in October of 2005.

Harrisville's students at Keene High School and Keene Middle School also continue to perform well. This past year, Harrisville had 34 students enrolled at the high school. These students are taking advantage of a wide range of academic, as well as co-curricular activities. Collectively, the overall grade point average (GPA) in the core subject areas (English, mathematics, social studies, science, and world language) for Harrisville's students increased slightly from last year. In English, 68 percent of the students earned a grade of "B" or better. In mathematics, 53 percent earned grades of "B" or better. In science, 72 percent of the students earned grades of "B" or better. Students enrolled in honors or Advanced Placement classes performed very well, with 100 percent of the students in science and social studies classes, respectively, earning grades of "B" or better.

Harrisville has a tremendous level of parental involvement and support, which research shows is critical to student success and overall school quality. These factors contribute to a very positive school environment and strong community ownership in, and support for, the school. Harrisville staff members have continued their efforts to ensure that the children are offered a well-coordinated and challenging curriculum. The work that went into the implementation of the reading program is an example of this. Many have worked hard to broaden their subject area background and/or their skills to meet the needs of each child and to enhance their effectiveness. This has come as a result of their involvement in quality professional development training in areas such as skillful teaching techniques, curriculum mapping, technology integration, teaching in the content area (reading, social studies) and the needs of disabled students.

The constructive working relationship between the school board and staff continues to promote continuous school improvement. This is facilitated by good communication between the staff and board and by board members' recognition of, and interaction with, the staff. One example of this is the annual school board/staff goal-setting retreat. This activity not only produces a focus around which planning and allocation of resources occurs, but also a dynamic of cooperation and trust.

The Harrisville School community should be very proud of its school. The improvement that has occurred should not be taken for granted, nor should the strong support given to the school by the community. Continuation of this improvement is highly contingent upon open lines of communication between the home and school and a good understanding of what goes on in the schools. Please make the time to visit the school, to attend a school-related activity, or attend a school board meeting. Please be sure to attend the annual district meeting on Tuesday, March 8, at 6:00 p.m.

PRINCIPAL'S REPORT

Reading continues to be an area of student and staff concentration at Wells Memorial School. Our kindergarten through third graders spend ninety minutes every day working on language arts skills, and all students in the building are screened during the year to monitor reading level and skill development progress. Our staff continues to participate in professional development to further augment their program knowledge and skill base in teaching reading and writing.

We are most fortunate to have such an active, supportive PTA at Wells Memorial School. Some of the activities promoted by them include: roller skating evenings once a month, a Halloween party and trip to Stonewall Farm, fund raisers to support school programs, a book fair, and a reading incentive program. They are always looking for new members and ideas. Meetings are usually the first Tuesday of the month at 7:00 p.m. in the school library.

Please know that Wells Memorial School is always open for visitors. Whether it's for Wednesday community lunch, volunteering in a classroom, presenting a program or talent, or just coming to learn more about us, you are welcome. I also encourage local community and nonprofit groups to use the building. Some groups that use the building include the Women's Morris Dancers, Silver Lake Association, the Harrisville Community Church, and the NH Sheep Growers Association.

Respectfully submitted,

David Lesser
